Wear your shirt in April to Support Child Abuse Prevention Month.

Why we wear blue:

Wearing Blue shows that you believe that - "All children deserve a great childhood because our children are our future, while raising awareness and encouraging others to support child abuse prevention."

Since 1994, Friends of the KCAC has helped hundreds of children recover from the trauma of sexual and physical abuse. We are a nonprofit corporation made up of volunteers with various backgrounds and from throughout the Kane County community, focused on providing support to abused children and their families which cannot be met by the KCCAC and the legal system.
